

HYDRATE. RESET. LET'S GO AGAIN.

Electroboost™ is Funtrition's smarter take on hydration designed to keep up with real life. Whether you're working out, traveling, or just trying to stay on top of your day, this is your **go-to reset button in gummy form**.

WHAT MAKES IT DIFFERENT?

Electroboost helps your **body bounce back faster and feel better doing it**.

We combined **electrolytes + antioxidants + essential nutrients** into one delicious, easy format so you can hydrate, recover, and keep moving.

Daily wellness routines

Benefits

Rehydrates Fast

A blend of **Sodium, Potassium & Magnesium** helps replenish what your body loses through sweat, stress, and daily life.

Keeps You Going

Supports **muscle function, energy balance, and recovery** so you don't hit that mid-day wall.

Fights the Bad Stuff

Loaded with **Acerola, Açai, Pomegranate & Grape Seed** to help tackle oxidative stress (aka the stuff that slows you down).

Supports Everyday Wellness

With **Vitamin C, Zinc & more**, Electroboost helps support your immune system while you do your thing.

Better-For-You Indulgence

Low sugar, great taste, and none of the "ugh" you get from traditional hydration products.
